## Dementia Activity Centre

### Overview

The Dementia Activity Centre aims to provide a service to those persons suffering from dementia. This service helps to reduce caregiver stress, whilst therapy is offered so that persons suffering from dementia can remain active. These centres provide a safe, secure and dementia-friendly environment and are run by staff which are proficient and trained in dementia care.

### What you'll get

Based on the individual's specific needs and availability of service, the Dementia Activity Centre offers a certain number of days when applicant can avail himself of the service.

### Eligibility

General eligibility criteria:

- A diagnosis of dementia by the patient's doctor or consultant geriatrician

### Documentation required

General documentation:

- A medical report signed by the general practitioner or a consultant geriatrician
